Kingmoor Nursery and Infant School

Happy Retirement!

Today we have said a fond farewell to Mr Smith. He has decided, after 28, years it is his time to retire. He will be terribly missed and the impact of his hard work and commitment to school can be seen throughout our school site and buildings. He has worked hard to maintain our site to the highest standards to ensure a safe and attractive environment for all of our children. Amongst many other things Mr Smith has helped us to create our garden areas, remodel our nursery, decorate parts of school and create attractive spaces in classrooms.

On Behalf of the governors, staff and children we want to say thank you for everything you have done and we will miss you Mr Smith.

Car Park

If you are walking through our car park please encourage your children to walk on the yellow lines. With cars reversing out of disabled spaces the car park is a dangerous place and walking on the yellow lines will help to keep everyone safe. We are aiming to have these repainted in the better weather.

Lowry Hill Santa Bus

Thank you to all the parents who brought the children to the Santa bus, we raised £200 for Blood Cancer UK. Could any parent who took photos of their children with Santa and wouldn't mind their photo in the next newsletter contact me please as I was too busy to take any photos

Many Thanks

Barbara 07472454356

In Nursery this week.....

We have had a lovely walk to the post box to post our Christmas cards home!

We shared our Christmas songs on Tapestry to our families

Christmas at Kingmoor

The children were so excited that we had a real Elf in school today!!

Year 2 Christmas Performances.....

Well done to the Year 2 children for their Christmas Productions this week! We are so proud of them and they sang beautifully, it was lovely to see parents and carers enjoying their performances.

Talents & Achievements

What a lovely finish to the year to see all the children's talents and achievements and we look forward to seeing more in the New Year.

ONLINE FRAUD

Students and parents - are you shopping online for Christmas presents? Follow some simple tips to stay free of fraud this festive season.

Don't pay by transferring money directly to people or companies you don't know.
You may lose it if it's a scam. If you can, pay by credit card.

Check a website is authentic.
Carefully check the address is spelled correctly. Type it in rather than clicking on a link. Check consumer websites or reviews.

Make sure your shopping, online and banking payment accounts are protected by strong passwords.
Don't use them for any other account.

Be suspicious about unrealistically low-cost items.
If it seems too good to be true – it probably is.

Don't click on links in emails, texts or posts that you're not expecting.
They could be a fraudster's trap - and don't open unexpected email attachments.

Make sure payment pages are secure.
Check addresses begin with 'https' ('s' is for secure) and there's a closed padlock in the address bar.

Fraudulent texts and emails claiming to be from home delivery companies telling you that you owe a fee are commonplace.
Keep a record if you can of what you buy and which delivery firm the retailer is using.

Referral Services Suitable for Children aged 0-4 years old

Baby Massage

Baby Massage can help parents' awareness of their baby's needs and support an early bond. Baby Massage is suitable for babies up to 6 months old. It can also help with a sense of well-being for both parents and babies.

This service is offered by referral via a professional or you can self-refer yourself.

To refer yourself please call: **07815 686 762**

Portage

Our Portage service supports pre-school children with additional needs. In partnership with parents, the Portage worker will look at all areas of the children's development and discuss goals that children are able to achieve through their play-based learning. We can only accept referrals for this service from a health professional already involved with your family. If you feel this would be something that would support your child, please speak to your health professional to make a referral.

Let's Get Talking

Our Let's Get Talking group sessions are based around communication and language, which is delivered in partnership with the Speech and Language Team. This group is suitable for children aged 2 - 4 years, who are using few or no single words and there are no other concerns regarding special educational or development needs. Children need to be able to follow simple instructions and be showing a desire to communicate their needs. We can only accept referrals for this service from a health professional already involved with your family. If you feel this would be something that would support your child, please speak to your health professional to make a referral.

Referral Services Suitable for Children aged 11+

In addition to Decider Skills and Drawing and Talking we also have alternative group interventions that are suitable for children aged 11+

Finding Your Way

Finding your Way is a targeted programme which aims to support young people in exploring challenges they may face, to overcome difficult emotions through learning a range of strategies and life skills to challenge negative thoughts and improve motivation. We support young people in overcoming barriers by goal setting to support outcomes in improving their attendance and attainment in school.

Emotional Resilience Group

The Emotional Resilience programme is a 6-week programme for children aged 11-19. Children will explore their identities and values as well as the common challenges they face with a focus on becoming more aware of their own emotions and how to process these. With support of workers, children will have strategies to support them as they progress and develop increased resilience.

Services for Parent and Carers

Solihull Understanding Your child

This programme is designed to support parents and carers to better understand their children's feelings and behaviours. Parents and children become more attuned, relationships improve and stress and conflict at home is reduced. During the programme, you will explore tuning into children's feelings, parenting styles, temper tantrums and what they might mean, sleep patterns and behavioural difficulties.

Family Support

Family Action can offer one to one support to families in their own homes. This practical support will promote parenting capacity and could focus on boundaries, routines, home conditions, behaviour management, safety, relationships/attachment, support to access other agencies.

Additional Support For Parents

Solihull FREE Online Course

The online course can be completed in your own time, with various topics from pregnancy to 19 years to help you understand your child's development and behaviour. To access, visit www.inourplace.co.uk and use the code: WORDSWORTH

Referral Services Suitable for Children aged 4-10 years old

Busy Builders

Our Busy Builders Club is based on LEGO® therapy and is around collaborative play and communication in which children work together with their families to build LEGO® models. The aim of the group is to help children develop social interaction skills in a friendly, fun setting. Children will be able to practice key skills of collaboration, joint attention, sharing, turn taking, eye contact, communication, social problem-solving and compromise all whilst having fun and building some amazing models. Suitable for children aged 4+. This group is delivered in split age groups: age 4-7 and 7-10.

Decider skills

Decider Skills helps you to recognise your thoughts, feelings and behaviours and learn how to manage these in a safe way. This six-week course is delivered to children, young people and their families as part of a group. The Decider Skills are taught in a fun and memorable way and will promote effective communication between the whole family. This group is delivered in split age groups: ages 7-10 and 11+.

Drawing and Talking

Drawing and Talking is a therapeutic intervention for children and adults. It is designed as a short-term proactive intervention intended to complement, rather than replace, the work of Specialist Mental Health Services.

Through a 12-week cycle of sessions this non-intrusive tool allows children and young people to bring what they need to their sessions. Utilising drawing as a way to help them express their feelings differently.

VOLUNTEER

Perinatal Peer Support Volunteer for our Perinatal Peer Support Service

Do you have what it takes to provide emotional support to a mum or primary care giver during the perinatal period. The Perinatal period is during pregnancy and a year following the birth.

We are looking for volunteers to support parents who are experiencing a mild to moderate mental health illness or are identified as vulnerable to developing a mental health illness during the perinatal period. This support may be offered through home visits, remote telephone or video call, group work or support to access other local services.

It is preferable if you have experienced pregnancy and childbirth, or you have an understanding of mental distress, the emotional effects of pregnancy and birth and the demands of parenthood.

Family pressures can sometimes be difficult to manage without emotional support and guidance to help. Many people feel confused by what information is available or struggle to access services close to home.

Our free FamilyLine service, tackles these issues in a new and innovative way by using a network of volunteers from across the country to support family members over the age of 18 through telephone calls, email, web chat and text message.

The service aims to:

- Provide both immediate and long-term support
- Help with practical information and guidance
- Provide emotional and listening support
- Help with understanding and accessing relevant services and information
- Provide regular one-to-one befriending support to service users feeling isolated
- Access to short term telephone counselling
- A referral into our many projects across England and Wales, where relevant.

New Technology

With Christmas nearly here and with some children receiving new technology or related games, here is a quick reminder of the importance of setting up appropriate parental controls.

Games/Consoles

- Check age ratings: look at the PEGI rating of any new games.
- Remember, PEGI rates the gameplay so whilst it is important to review age ratings, you must also check to see if it has any communication elements.
- If a game does allow your child to communicate with others, then adjust or disable the settings as appropriate to your child.
- On the device itself, set up applicable controls such as restricting spending limits and managing who they can communicate with. Follow the links below to find out how to set up Parental Controls for some devices here:

Xbox: <https://www.xbox.com/en-GB/family-hub>

PS5: <https://www.playstation.com/en-gb/support/account/ps5-parental-controls-spending-limits/>

Nintendo Switch: <https://www.nintendo.co.uk/Hardware/Nintendo-Switch-Parental-Controls/Nintendo-Switch-Parental-Controls-1183145.html>

Tablets/Smart phones

Set up parental controls on the device to prevent purchases, restrict content viewed and adjust privacy settings. Furthermore, remember to check any apps your child requests to check that they are suitable for their age. Follow the links below to find out more:

iPhones/iPad: <https://support.apple.com/en-gb/105121>

Android Device: <https://support.google.com/googleplay/answer/1075738>

Why is it Important?

Parental controls are important to help provide a safer experience for your child by reducing/preventing access to inappropriate content, cyberbullying, communication with strangers and restricting purchases.

Further information

You can find out more about parental controls here:

<https://www.childnet.com/help-and-advice/parental-controls/>

Users of this guide do so at their own discretion. No liability is entered into.
Current as of the date released 01.12.24.

Roblox

You may have seen the recent investigation about Roblox by Hindenburg, which highlights very worrying concerns about the content that can be seen on Roblox, even when users have listed their age as under 13. You can read the full report here: <https://hindenburgresearch.com/roblox/>

What is Roblox?

Roblox is a platform consisting of a collection of games. Players can either create games or play games that other users have created. It is free to download (however subscription options and in game/app purchases are available) and can be played across numerous devices. **A lot of the content is user generated, which may mean not all games will be suitable for your child to view/play.** If your child is playing Roblox, it is important to monitor what your child is accessing and set up appropriate parental controls.

PEGI rate Roblox with a Parental Guidance label, this is because it is difficult to rate due to the huge level of user generated content.

What should I be aware of?

Game content – as mentioned, users create games so the content/themes may not be appropriate for your child.

Chat Facility - Players can chat to each other. You can turn communication off completely or add restrictions, such as only communicate with friends.

Virtual Currency - Players can buy Robux (their virtual currency) to buy in-game upgrades or accessories.

Age Categories

This article discusses the difference in accounts based on age (under age 13 and aged 13 – 17):

Roblox accounts with Parental privileges - NEW

Roblox have just launched a new system to manage your child's experience on Roblox through 'Roblox accounts with parent privileges'. The new format allows you to view and update parental controls from your own device. Controls include setting content restrictions, managing screen time and setting a spending limit. You can find out more here:

<https://en.help.roblox.com/hc/en-us/articles/30428248050068-Parental-Controls-FAQ>

Content Labels - NEW

Roblox have begun labeling experiences based on the type of content rather than by age. You can set limits on which content labels are accessible in parental controls. The labels are Minimal, Mild, Moderate and Restricted. You can find descriptions of each here:

<https://en.help.roblox.com/hc/en-us/articles/30428310121620-Parental-Controls-Overview>

How do I report abuse and block users?

This article outlines the different reporting facilities:

<https://en.help.roblox.com/hc/en-us/articles/203312410-How-to-Report-Rule-Violations>

What else can I do?

Chat to your child regularly about what they are doing online and as always, remind your child that if anything is worrying them then they should talk to you or another trusted adult.

Positively online

The NSPCC have published six tips to help you improve your family's online wellbeing. They also provide you with a guide on how to talk to your child about what they are doing online as well as a quiz that you can play together. You can find out more here:
